

Part III – War on Heaven

Part III-Panel 1:

Celestial landscape with temples on mountaintops or big hills, palaces below, trees, flowers, rivers, whatnot, but beautiful and lots of it.

Dr. Ravana, heading for her older brother's palace, is in the foreground not looking at any of it.

Part III-Panel 2:

General Vibheeshana is resting between orgies. He is in luxurious furnishing surrounded by beautiful men and women.

Vibhe: "I can't help you with this, Rava. You take on the gods and you get crushed. Badly."

Ravana: "You'd attain full godhood."

Part III-Panel 3:

Vibhe: "I'm happy being demi. Overthrowing my patrons doesn't interest me."

Ravana: "Lazy lout."

Part III-Panel 4:

Vibhe: "More a cowardly and sensible lout, sister. And don't wake Kumbhkarna for this."

Ravana: "I'm too cowardly and sensible to do that."

Part III-Panel 5:

Ravana goes to a palace built on or in a small mountain with a demon army/city camped/built on one side of it.

Part III-Panel 6:

She's welcomed and ushered inside.

Guard: "Welcome, Dr. Ravana."
