

**Part V-Panel 90:**

They look around.

Turka, Moe or Foe: "Where?"

**Part V-Panel 91:**

Selenga animates a shot up, hacked up, trampled by horses dead guy: "I'm here! I just don't have a body anymore."

**Part V-Panel 92:**

However, many panels of her getting scalped and her body getting younger and younger until a baby, then a fetus, then...ping...nothing.

**Part V-Panel 93:**

Selenga lets the body drop: "See?"

**Part V-Panel 94:**

Turka faints.

**Part V-Panel 95:**

Moe picks her up.

Foe: "I think we better talk to Dr. Ravana."

**Part V-Panel 96:**

They all disappear into the portal.

**Part V-Panel 97:**

*(however many panels)*

Ravana, Moe and Foe, looking on from the room, watch Turka, holding Selenga's hair, and Selenga's voice join Angara and Sarma in their lake. Turka and Selenga's voice are trying to explain what happened to their horrified sisters. Hair lengths and ages are as you please. Except for the three or so feet of Selenga's hair, of course. The Lake Spirits are underwater so it's like being at the aquarium.
